## COVID CHECKLIST

### At Home Each Morning:

- Check:** Do you have a temperature?
- Consider:** Do you feel unwell/have a cough/shortness of breath/fever/chills/sudden loss of smell or taste?
- Does anyone in your home have any of the above symptoms or has there been a diagnosis of COVID in your contact circle?

**If the answer to any of the above is 'YES':**

Notify the school, contact your GP and follow their instructions before returning to work

### In Class:

- Sanitise your desk before and after each class
- Ensure that always wear your mask in class and moving around school
- Leave doors open **always** and windows open where possible - ventilation is essential
- Sit in your assigned seat for each class
- Have all of your own books and stationary with you

### School Preparation:

- Personal hand sanitiser
- Face mask
- Stationary and books
- Social distancing in classrooms
- Wear your mask at all times indoors (except when eating)

### General Information:

- Where there is no space for a one way system, students are to walk on the left hand side of corridors & staircases
- Students may only visit the lockers when accompanied by the classroom teacher at their year groups' designated time
- Every class should begin desks being sanitized using wipes at entrance of room
- Any worries? Please make sure to talk to a teacher!
