

Student Enrichment Services Ltd.

Sponsored by Technological University of Dublin Outreach Programme presents:

“Help Your Child Achieve Their Academic Potential!”

A one hour online talk on how parents can assist their children.

Tuesday 21st Nov. 7pm

**Simple, practical ideas to help students to achieve in their school studies!
Help your children save time, energy and needless stress!**

**Discover the Seven Steps to academic success!
The ‘SES Test’ method of learning!**

Simple strategies for parents:

to help their students set realistic goals;
to demonstrate simple time management skills;
to explain how to prepare a strategy for exam preparation;
to demonstrate a variety of note making styles;
to outline our unique ‘*SES Test*’ method of studying.

Parents can make a real contribution to success!

We believe that every student has the potential to achieve more than they thought possible!
